How Quickly Do Synthetic Fabrics Such as Polyester Decay in Landfills?

This is an experiment because the 10 strips were randomly assigned to two groups—buried for 2 weeks or buried for 16 weeks.

Data

Group 1 (2 weeks)	118	126	126	120	129
Group 2 (16 weeks)	124	98	110	140	110
